~~CONFIDENTIAL~~ Comment: There are various discrepancies in the figures given.
January list: The Total II was given as RM 373, 083, although the figures add up to RM 373, 141.
February list: There are mistakes in addition in the columns Potash, Pharmaceutical products, Construction material, textile industry, and Cellulose, as well as in the last column giving the total production figures of the different states, and Total II in the last column.

4. The figures do not include the production of the Soviet A.G.s.
